# WELCOME TO LOUISVILLE

We're the home of Muhammad Ali, the Kentucky Derby, the Louisville Slugger, and one of the biggest rivalries in college basketball.

Bourbon, food, world-class museums and music venues. We appreciate the old while embracing the new.

Whether you call it Louisville, Derby City, River City, Falls City, or the Gateway to the South, we hope you enjoy our city as much as we do.

**THE SPIEL**

---

## ABOUT LAST YEAR

---

The inaugural BourbonSpiel didn't go exactly like we wished it had. After spending hours trying to create the best possible curling conditions, we lost our ice right before the start of the spiel. We went from holding a bonspiel to two days of drinks and camaraderie. Now we're back...with ice! Hence why this year is BourbonSpiel On The Rocks.

## ALPINE ICE ARENA

---

A 60 year old rink presents unique challenges when it comes to creating curling ice. Our ice team, in coordination with Alpine's ice tech, have been working hard to create the best possible playing conditions.

**It won't be perfect, but we strive to make it fun.**

Alpine Ice Arena is located at 1825 Gardiner Ln. Louisville, KY 40205

## PLAYER AMENITIES

---

Curlers participating in BourbonSpiel will have access to an exclusive player-only area of Alpine Ice Arena. This area includes locker rooms and an area for food and drinks.

To say thank you for participating, each player will receive a gift bag. Besides the A-D event trophies, a special award will be given to the team who traveled the farthest.

---

## FOOD & DRINK

---

Food and drink will be provided by Derby City Curling Club throughout the weekend. The snack bar at Alpine Ice Arena will also be open.

A bartender from Meta, a local joint, will be on-hand Friday and Saturday evening/night so that guests may enjoy a selection of alcoholic drinks.

## BOURBON TASTINGS

---

This year's tastings will include a selection of bourbon experts from right here in Louisville.

Our club's own Andrew MacKay, Whisky Blender Manager for Bulliet will hold a tasting on Friday night. Saturday's offerings will include Nicole Stipp, Trouble Bar's co-founder, co-owner, and curator. Trouble Bar was named one of Esquire's best bars in America in 2021, as well as one of the best whisky bars in the country by Yelp. We also welcome Eron Pelvin from Tartan House. Eron will share a selection of scotch specifically picked for bourbon drinkers.

**DISTILLERIES**

## BOTTOMS UP

Kentucky produces 95% of the world's bourbon.  
Our distilleries produce 1.75 barrels for every citizen of the state.

From downtown to the country, we have assembled a list of distilleries that offer tours & tastings for your consideration.

# EATERIES

## BON APPETIT

---

Many don't realize it, but Louisville loves its food. It's often listed among the best "foodie" cities in the US, and it goes way beyond Kentucky Fried Chicken.

Louisville has so many non-chain restaurants that you could eat at a new one every day for a year, and still miss out on a few. From pub food to vegan, here is a list of our club member's favorite places to eat.

Despite neither of them having curled before, we went from an idea to our first learn to curl class in 9 months. The national curling community has played a huge part in our club's success, with special thanks to Fort Wayne Curling Club and Cincinnati Curling Club.

Thank you to our members and volunteers. Without your dedication and hard work, this club wouldn't be where it is today.

**Good Curling!**
